Scrap Therapy

This has become so popular we are now meeting twice a month

and some Saturdays

Get organized - have fun -
make quilts

Join Sharon for scrap therapy.

Come in and check out the beautiful quilts made using scraps.

Scrap therapy addresses the stash problem by teaching quilters how to turn their mounds of beautiful fabric into usable sizes...which are then ready to create quilts and other projects with custom designed Scrap Therapy patterns

THIMBLEBERRIES CLUB 2010!

We start Monday & Tuesday

January 11th & January 12th 2010

This is year #9 for us here at Fabric Fashions & More. The quilts and fabrics just get better and better, and our club members are the best!!

This year's quilt is designed around a block of the month program, called "Village Green". The main quilt measures 72" x 82". It can be enlarged to measure 96" x 106". If you are not interested in another block of the month quilt we are offering 5 small projects to replace the quilt. You will receive all the 12 block patterns either way.

As in the past the membership fee is \$20.00.

The 72" x 82" quilt or the five small projects will be \$195.00 or \$50.00 quarterly. The larger 96" x 106" quilt will be \$255.00 or \$65.00 quarterly.

Your membership includes a 20% discount on all Thimbleberries Books, Patterns, Fabrics and Kits on our meeting days. You get first hand information on the new products, sales and events here at the shop.

For your convenience we have 3 meetings each month. We meet on the 2nd Monday at 3:00pm and 6:30pm or the following Tuesday morning at 9:30am. Snacks and great camaraderie are always a part of our meetings.

Ginny and Sharon look forward to having you join us for another fun filled year.
